MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Assessment of Negative Traffic Points for Illegal POV/GOV Parking On and Off Post

1. References:

- a. AR 190-5, Motor Vehicle Supervision, 8 Jul 88.
- b. AR 600-55, The Army Driver and Operator Standardization Program, 31 Dec 93.
- c. USAREUR Supplement 1 to AR 600-55, The Army Driver and Operator Standardization Program, 27 Oct 99.
- d. USAREUR Regulation 385-55, Prevention of Motor Vehicle Accidents, 26 Jan 00.
- e. SHAPE Directive 100-1, Traffic and Parking Regulations, 20 Apr 93.

2. This policy applies to all U.S. military members, State Department employees, other U.S. Government employees, family members, and individuals (military or civilian, or non-DOD affiliated) who operate motor vehicle(s) (POV/GOV) on and off military installation and/or on SHAPE international installation.

3. The 80th ASG (NSSG) Commander exercises overall responsibility for directing, regulating and controlling traffic and enforcing laws pertaining to traffic control. It is everyone's responsibility in this Command to comply with the U.S., the international, the SHAPE and the host nation traffic regulations and/or directives.

4. Because illegal parking contributes to congestion and slows traffic flow, it is my decision to designate the 80th ASG Directorate of Logistics, Drivers Testing Station, to record parking traffic infractions on the operator's driving records (DA Form 348).

5. Upon notification of a POV/GOV parking violation by a DD Form 1408 (Military Police Armed Forces Traffic Ticket), a SHAPE Military Police report, or other military/civilian law enforcement report, the violator's driving records will be assessed two negative traffic points for the offense. Points assessed against a person will remain in effect for point accumulation purposes for a period of 24 consecutive months.
